

General Practitioner / Nurse Practitioner Opportunities

Looking for a fulfilling and rewarding role in healthcare? Look no further!

We are seeking General Practitioners or Nurse Practitioners to join our teams in both the Waikato and Auckland regions, providing primary healthcare to those living in aged residential care. As a valued member of our team, you will work autonomously while collaborating with onsite registered nurses and care teams to support the wellbeing and quality of life of our residents.

We offer:

- Competitive rates
- Afterhours/on-call opportunities available
- A supportive team environment
- Regular peer review, practice and team meetings to support your development and growth
- A supportive interdisciplinary team including NPs, Practice Nurses, and ARC Onsite clinical team
- A dedication to supporting a model of care that works for our team and patients
- A prioritisation of a good work-life balance for all our employees

In this role, your key duties will include:

- Providing good clinical care
- Maintaining good medical practice
- Maintaining professional relationships with patients
- Working collaboratively with colleagues
- Maintaining integrity in professional practice
- Undertaking research and quality improvement activities

Requirements for this position include:

- A current Annual Practicing Certificate
- Strong communication skills
- The ability to work flexibly in a team setting or with a level of autonomy
- Experience in ARC or an interest in working within ARC is desirable

If you are a special person with a passion for providing quality healthcare to those as they age, we want to hear from you.

Don't miss out on this exciting opportunity to make a difference in the lives of our residents. Apply now by emailing your cover letter and CV to careers@thirdagehealth.co.nz.

Not in Auckland or Waikato and interested in working with us? Speak to us as we are always looking for practitioners in all regions across NZ.
