- **Flexible Role:** A part-time position with no weekends, after-hours, or shift work
- **Variety:** Play a key role alongside an experienced and supportive clinical and administration team
- **Competitive salary**

In this role, your key duties will include:

- Providing clinical care to patients
- Supporting doctors and other healthcare professionals
- Coordinating patient care and follow-up
- Engaging in continuous professional development
- Participating in team meetings and collaborative care planning

You will bring to this role:

- A current New Zealand practising certificate
- Competency in primary care
- Experience in a medical centre (desirable but not essential)
- Willingness to continually learn, share knowledge, and be part of a team delivering clinical excellence
- Excellent communication and interpersonal skills
- Ability to build strong rapport with team members
- Current CPR certificate
- Immunisation and smear taker certification (desirable but not essential)
- Computer literacy
